

The SignUp Banner

Like the Parus Major the SignUp is known for extreme speed and featherweight. At only 2.5kg it is truly one of the lightest portable banner stands on the market. With it's simple pole and foot design, it is also incredibly fast to assemble and featuring a large graphic area it is no lightweight when it comes to making a visual statement.

The SignUp banner is a simple and cost effective free-standing display ideal for instant promotional and point of purchase displays. The graphic is separate allowing your promotional message to be changed as often as needed.
