

## The Mini-X Stand

The Ladybird and the Mini-X Stand are small, but they are so damn cute and striking that you marvel at their visual impact.

The Mini-X Stand may be our smallest display product, but you can't miss it. With its funky little insect legs the Mini-X Stand stands up loud and proud on benches and counter tops screaming 'Look at Me!'

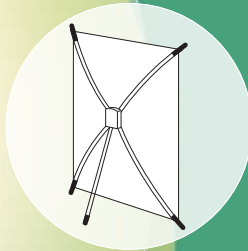

**Size:** Just a shade under A3.

**Weight:** Next to nothing really.

Prices available on request.
